That I tried my best I gave you my all and sorry it wasn't good enough. Have fun and enjoy yourself you fucking asshole !!! While I'm here with no smoke. And got to go food shopping. The drama the up and down isn't worth it. I want peace and that's what I'm working towards. You need a rich bitch who can afford to sit around you all day and pay for this or that like money falls from the sky. Fuck you.

I booked the flight on Friday like you asked me to do. It's Sunday now. You only have 24 hours to change or else they charge $200 change fee. I not acting like a fag I'm just being responsible about money. This is always how our arguments start. You probably already told chaos he could stay so now when I say it can't be done without paying $200 you get mad at me. Think about it that doesn't really make sense

Call me and I'll tell you how this other Dr visit went the results from the the head ultra scan came back. I have plaque build up in my main artery in my neck causing slow blood flow to the brain a flexible stent looking contraction is what he's talking about I might need. This is what prevents strokes. The main cause is cholesterol

Oh, Ronnie gave me a call yesterday and said he's decreasing my pay. Supposedly He still wants me to run the club but it's taking too long and who knows when that will be. So I need to look for a job.. I'm so nervous cause I feel intimidated by only having exp in a strip club but I really don't want to go back.

On my life. Whatever is meant to be as far as my career. Cool. I'm done with Zino on a personal level. Enough of putting hands on me. Because I care I never call the police but enough. I'm sorry and thank you for what you have done!

Nobody deserves to be talked down on. Over nothing all the time. And as much as I do love him I'm walking before I really get hurt. After that after missing our flight. He had hands around my neck. And then again today. Just because I woke him up to tell him to erase it off his page for him and his son number. Because I didn't get ray number yesterday for my sister. Over nothing.
It's not me!!! And again I am sorry.

There's only one ticket on that 4pm spirit flight tomorrow there's another spirit flight at 9pm for same price $163 or there are earlier connecting flights in us air for $206. We can wait a little while to see if another seat opens up on 4pm spirit also

He wants until 3pm tomorrow to confirm everything and sign a contract with us, but he said he is willing to do a ring that will be appraised for 50-60k in exchange for 15k plus the tv show and other marketing. He is going to need as much as 10 days to get the ring made, he can't take one of the rings from his uncles inventory. The contract we sign will guaranty delivery within 10 days

$15,000 ring leaves $1,720

Then
I'm thinking you still have more Xmas gifts

In order to open the club we need to pay:
$2200 sign balance
$9000 furniture
$3500 miscellaneous incl lights, artwork, website, menus, clean curtains etc
Total $14,700

The wine company told me they can pay the $15,000 after the new year. I'm going to talk to the guy again today to try to get him to send at least half this week. I have a call in about the $1,600 for the U87 also.

GRAND TOTAL OF ALL PARTS = $34,280

Remaining balance = $5,720

After we get the $11,000 from Mike today that will leave a total of $16,720

$15,000 ring leaves $1,720

Then
I'm thinking you still have more Xmas gifts

In order to open the club we need to pay:
$2200 sign balance
$9000 furniture
$3500 miscellaneous incl lights, artwork, website, menus, clean curtains etc
Total $14,700

The wine company told me they can pay the $15,000 after the new year. I'm going to talk to the guy again today to try to get him to send at least half this week. I have a call in about the $1,600 for the U87 also.

There is a $7500 daily limit on charges on the debit card so if you are going to spend more than that today you have to go to Suntrust bank inside the Publix across from the Home Depot and withdraw the other $7500 in cash. The bank closes at 2pm today. The other option is to put $7500 on Coi's card and $7500 on yours

Ok just checking. My sister says she's out to lunch then she'll call me to do it. I'll have her take a pic and I'll text you her info for you to pick up the money. I have a nerd double checking that's the best for the price now but once she sends the money I'll send the link of hat to buy and where to send. Again, I thank you so much for your love and support and I hope you see I'm serious in giving this a shot and puttin in 100% effort.

Them be around you and get called names. Because I'm laying up. Please whatever. I tried too. Trust me. Start away for a while. Please. Keep your word this time. I sent Gilda a photo of your ring - below is her response

Damn it awesome!!!!
We will give it it's full due very very soon !
Tell him no girl would say no to that - and we will get to introducing Althea ASAP. After 2 scenes with her, and a few with his other guy friends. He can propose in an elaborate 2 parter!!!!
But we have to build to it so the audience super cheers for him at the passionate kiss on top of the Ferris wheel.
Tell him will be the most romantic epic scene in LHH history.
But give me a sec to build it up to do that ring and his love JUSTICE!!!!

It's business not personal. I'm not gonna let you make be crazy today. Today I'm having a great day. You stress. Make problems over nothing.

I was upset because how you view them is how you view me. And you don't have to be a hoe to catch something. You can be with one man and he be the dirty one. There's women who been with a fee men and have aids. A good girl loyal girl can be with a ducked up man and get something. That's why I was mad. I see I can't talk about nothing because you turn everything around. Everything.

That's my option I don't have time to find anything quick. I'm bout to go handle some things that I have been waiting to get done today. Have a good day.

When you meet someone who gives his all, while nit CHEATING in you it's a rare situation. Since ive met you, youve gotten more irrational and mean towards me, and that can only mean that you dont like me no more or you have eyes on someone else, cause NOBODY who LOVES somebody trears them the way you treat me

I don't fuck cherry. I flirt with women and am very open about liking women but I don't fuck girls on my own time. I like fucking them with someone. It's more of a turn on for me with the person I'm with plus her.. Not soooooooo much just me and her as much as I do enjoy her. I like "us" vs her I guess.

All of our bank accounts are overdrawn. I borrowed more money so we could pay for everything we needed to get the club open, pay for Thea's carpet, pay for Taj birthday, pay for Jess' projector, pay for everything else this week that was needed. Stevie didn't come thru. Sixx played us. Everything fell on me and I still got it all done

That's another thing immature people do change the subject to something else instead of owning up to the issue. You can talk about me and my bad qualities all you want but it doesn't change the problem you have and the fact that you are wrong in this situation

There's two cheap flights that popped up this morning from atl to laguardia on us air $218 but DB never get back to me w the info you may have to book the flight on your suntrust card because by the time I land it will be after 130 in atlanta. One flight is at 1250 the other at 520 but they might disappear soon when i checked last night all flights were $400 or more even connections

FYI my old neighbor from buckhead got arrested last night while I was waiting for her to meet me for a old ticket. I just accepted 2 collect calls for her to get out. There $9 per call so. Just giving heads up when you see collect call from Fulton inmate on the next bill it was Christan from Pzi jeans.

I will be showcasing this piece at this stores grand opening this Friday. still need to make two more for the event. They will keep the art hanging in their store to sell and only require a 10% when it sells. But at least the event will be filmed and televised so it's exposure for me. I'm excited. Just wanted to share this with you.

I apologize for being so negative earlier about the gram fam idea. I know you know way more about Instagram and applications than me. Both gramfam.com and .net are taken. The term is used by Grambling University alumni (they have the .net web address). I can't find anything on the Fuzen app you mentioned is it spelled a different way maybe?

I spoke to Prudential. There is a life insurance policy. They told me that Maureen contacted them earlier today to have them send out the documents she needs to fill out. The beneficiary of the policy is Maureen so they wouldn't tell me any more information. They gave me a mailing address where you/your lawyer needs to send a letter regarding any disputes or claims of fraud

Hey Althea. Just wanted to extend our condolences to Benzino regarding the passing of his beautiful mother. There are no better expressions of love, comfort and encouragement than words that are spoken out of the mouth of GOD. And the Scriptures speaks Cleary of what awaits every Believer when our brief journey on this earth is complete. First, we are not like people in the world who have no hope. Our hope is in Christ and all his promises and his destinies for our lives in this world and the world to come. HEAVEN awaits every believer!!! When we are absent from the body we are present with the LORD!!! When we are in the presence of our LORD JESUS we have JOY...JOY....JOY...UNSPEAKABLE JOY FOREVERMORE!!!! Look and see her in her NEW BODY and her NEW CROWN, REJOICEING and DANCING and PRAISING in the very presence of our LORD!!!! GOD BLESS YOU! Althea and Benzino keep your faith!!!! Baby Cynthia sent that too me for you.

A lot of the artist didn't show up so it was almost just my how cause I brought out more art to fill up their spots. I networked and worked my gift of gab. Def met lots of new people and was seen by a large variety of people. It was on collins across from the Loews. I'm happy with the turnout and feel I made the most of this opportunity. My mom came out and was very proud of me. Also a lot of local artist. Came out to support me. That meant a lot to me too. I think I'm doing good. Just gotta keep learning and evolving

Some artist manager from London taking selfies with my art so I jumped in and started clownin with them. We spoke on the sideline. He was asking me how much for certain pieces and he gave me his card told me to contact him cause he likes my art.

I did nothing wrong in my conversation with Peter he will be apologizing he was way out of line for no reason I thought he was joking...I just shared with him the plan for the fashion expo like u had asked me to do and then suggested we do the reality awards on the same weekend I understand now that's a bad idea but he literally flipped because I asked him to consider it and he shot it down and started screaming about how he's not going to let us coerce him to doing things our way then cursed me out and hung up I never raised my voice or said anything remotely disrespectful to him. After he hung up I looked at an email he sent us and I saw he's holding a press conference on Tuesday announcing that we are doing the reality awards in September I didn't know this was taking place in a few days maybe that's why he was upset because he thought I wanted to change it before Tuesday
